OUR YEAR

*unfolds . . .*

# *The 1958*

Presented by  
THE SENIOR CLASS  
OF  
GRANTHAM HIGH SCHOOL  
Goldsboro, North Carolina

# *Grannawayne*

# FORE

The annual staff has tried hard to gather and combine the carefree as well as the serious side of our life at Grantham. It is our sincere wish that this 1958 GRANNA-WAYNE may bring to mind many vivid thoughts of the friends whom you want to remember and of the high school activities in which you have participated.

Let us, the Senior Class, reminisce over the past years and recall the memories. Souvenirs of our class parties, the Junior play, our Junior-Senior banquet and all the stars we glued on; the rose thorns stuck in our fingers after fixing the garlands for Class Night; and last but not least is the way the water tank looked with "Seniors of 1958" written in hugh black letters! These are facts now as we go from class to class but soon they will be only vague memories.

# WORD

Our high school days run swiftly by and though parting may be sweet, these remembrances will be treasured in our hearts. It is only as we approach graduation and look back that we realize how much these memories mean . . . Memories filled with victory and defeat, happiness and sorrow, ecstasy and depression.

Our moments of reverie are over and soon we must take our places in life. As we separate and go each in his own way to seek happiness and success, may this GRANNA-WAYNE be a link with the past and its well-worn pages loved for the memories they hold.

Good luck to each Senior and our Under-classmen as well.

# WE DEDICATE....

## TO OUR PARENTS, OUR GUIDING LIGHT

The Senior Class of Nineteen-hundred and fifty-eight dedicates this affectionate tribute, our annual, to the people we hold dearest, our parents. It is you who have made our education possible.

Many times we have strayed from the right path, but you were there with confidence and assurance to guide us back again. As we stand here on the threshold of a new life, we pause for a moment to tell you just how much your understanding and patience mean to us. Our future success will therefore be a shared one. You will always remain our guiding light.

She has been a wise counselor and a sincere friend, as well as an accomplished teacher. She has always been willing and eager to give of her time and energy to make our years at Grantham Hi more worthwhile. As a club sponsor, she has worked with untiring effort and enthusiasm, inspiring members with her ideals. We respect her integrity; we admire her ability; we honor her service; and we love her for herself. For these qualities, we name her one of our TEACHERS OF THE YEAR.

## *Teachers Of The Year*

He has proved himself a great "Chief" and leader by rendering to us his time and efforts, and helping us find solutions to our many problems. His guidance, enthusiasm, and untiring efforts have been a real inspiration to us. We believe the decisions which he has helped us to make will prove of great value throughout our lives. For integrity, for intelligence, for nobility of character, for accomplishments of mind and spirit, we pay this tribute to our other TEACHER OF THE YEAR.

## *Grannawayne Staff*

At this time, we the GRANNAWAYNE STAFF wish to express our sincere appreciation for all the help and co-operation we have received in preparing this, our annual.

We would like to give special thanks to Mr. Bender, Mrs. Bradley, Mrs. Cox, Miss Donaldson, and Mrs. Lowdermilk; -- in fact, as you see, a major part of the faculty has participated in this project.

We give another thank-you to Mr. Robinson who took most of our pictures. Many cherished memories of our high school days will be often recalled through those scenes.

Thanks also to the second year typing class. Without their help our job would have been an impossibility. They rendered us much of their time in typing ads and copy, particularly Betty Faye Jernigan, Ann Summerlin, Mary John Best, and Annette Stevens. For this we are grateful.

## MEMORIES

As our year unfolds, our memories return  
To the years we spent trying to learn.  
For twelve years we studied, from the first grade up,  
Though the wisdom we gained wasn't entirely by luck.  
Why, sometimes we worked and worked hard, too,  
But we didn't absorb all the knowledge, it's true.  
Still we came forward, here's the reason why:  
Our aim was high school, our limit the sky!

At last we were Freshmen, how good it did seem!  
We held our heads high; our faces sure beamed.  
We studied and learned as we knew we should,  
But we joked and played whenever we could.  
So we advanced and Sophomores we became,  
Even then we knew, here we could not remain.  
Too soon we were Juniors, my, how time flies!  
We gave a banquet with stars in our eyes.

Yes, now we are Seniors and true, it is said,  
To Grantham, to high school, and to rings of red.  
Our good times, our play times we shall recall,  
And shed a few tears, maybe each fall.  
For soon the Seniors will leave GHS,  
In search of a future achieving success.  
We'll always remember things we did here,  
And hold to our hearts our memories dear.

Class Poet, Becky Jones

## *Our School Song*

So here's to dear old Grantham faithful and bright,  
Here's to her colors of the green and white —  
So here's to men and women who have come and gone.  
Singing their victor song of old Grantham High.

So here's to the students willing to fight,  
Here's to her teammates, who'll fight and fight and fight —  
Ane here's to the patrons faithful and true,  
Chanting their victory song of old Grantham High.

## Class History

In 1954, we the graduating class of 1958, entered high school. There were sixty-five of us under the supervision of Malcolm Bender, Leroy Pittman, and Robert Sanderson. During the year we lost Norwood Daniels, Blenda Sutton, Faye Thornton, Lois Bradford, Gerald Bradford, Wilbur Hall, Faye Mercer, Louise Newcomb, Harrell Garris, Charlie Helen Weeks, Billy Ray Toler, and Marie Westbrook. We enjoyed our class party at Goldpark Lake.

We returned to high school as sophomores quite reduced in number with only forty-nine students. To greet us that year were Miss Evelyn Davis and Mrs. Henry Cox. Since we had experienced the routines of high school, we had very little trouble settling down to work.

Beadie Thompson and George Issac Joyner left, but we gained Billie Ann Caulder to fill one of the vacancies.

This year our class party was at Herman Park. Afterwards, most of us enjoyed a movie.

After a short vacation, we returned as juniors ready to undertake the responsibilities that were before us. Our instructor this year was Miss Elizabeth Lewis, who led us through our many activities.

At our first class meeting, we elected our officers for the year. They were: President, James Weaver; Vice-President, Landis Neal; Secretary-Treasurer, Philip Hood.

The high lights of that year were the Junior Play, "The Whole Truth," and our Junior-Senior Banquet, which were both very successful.

To end our junior year, we had a weiner roast at Goldpark Lake.

On September 3, 1957, forty-six excited seniors proudly took their places in the senior homerooms with Miss Sandra Donaldson and Mrs. John Lowdermilk.

Our officers were: President, Dora Lee Thornton; Vice-President, Charles Martin; Secretary, Ann Summerlin; Treasurer, Billy Stevens; Reporter, Becky Jones; Historian, Erlene Head.

Soon after we began school, we started work on our annual. In order to finance the annual, we sold ads and gave a chicken stew supper which was a success though we worked hard.

One of our greatest thrills was when we received our class rings. How proud we were to be flashing them around showing them to our underclassmen!

During the first part of the year Miss Donaldson left us, and Mrs. Bob Bradley came to take her place.

As the end of the year approached, we looked forward to the Senior Play and being the guest of the Juniors at the Junior-Senior Banquet. We shall never forget these occasions.

We ended our twelve years of school by receiving our diplomas. Tomorrow we will go out into the world to seek our individual happiness and success.

## As Our Years Unfold

Oh! who is that getting out of that 1968 Pontiac? It's Philip Hood. I guess he traded that Pontiac he had in High School for it.

Erma Thain is now teaching music in California while her husband, Glenn, is selling oil field equipment.

Lower the gang plank, folks. Do you see who I see? . . . . none other than our own Claro Grantham who is now in the United States Marine Corps.

Lacey Edwards and Glenn Joyner are two of the most successful farmers of our day. I've heard they had to build larger barns this year, and they are buying new machinery. What they learned in FFA must have been worth a lot.

Say, what's this? Buy your tickets for the wrestling match tonight. Marjorie Westbrook defends her championship title. Well, all I can say, it should be exciting.

Ray Westbrook is the fellow to call when you need to have the sink unstopped. I understand he is a first-rate plumber.

Mary John Best, as you know, attended E. C. She liked it so well that she is now on the faculty there.

Extra! Extra! Read all about it. Up-to-the-minute interesting news written by none other than Becky Jones, news reporter for THE NEW YORK TIMES.

Joyce Edwards is now running a nursing home. She is so kind and good to all of her patients. Who knows, perhaps some millionaire from Grantham may will her a fortune some day.

Grantham is really proud of Shelton Williams. He is a General in the Air Force. They will have a big parade which will cover from Grantham to Mount Olive.

Lela Fay Britt made the headlines on the Sports page when the New York Giants won the pennant. You know she is the manager of the team. Her manager hopes she will retire in the future and manage their own five players.

If any of you fellows and girls go sailing on the sea of matrimony on your honeymoon, how about dropping into see Betty Lou Britt in Florida? I understand she has quite a fleet of yachts.

Bobby Williams has been looking around for an office to hang his shingle on. You know he is a dentist now. "Hold on to the chair, patients, please."

If you have been reading the newspaper, you know that one of the top scientists of the day is none other than Marceline Tucker. They say she is a wizard and can split an atom to the n-th degree.

J. L. Weaver is doing quite well for himself in his hardware store in Mount Olive. He says the women don't buy rolling pins any more, but to tell the new brides he has another supply of can openers.

Jerry Weaver has finally gotten on television as a comedian. There was never a dull moment at school as long as Jerry was around.

Too bad Myrtle Ann Laws and Erline Head got married and quit their jobs as dime store workers.

I looked around as a young nurse appeared. It was Dora Lee Thornton. After working toward her goal, she finally became a nurse.

Melba Rhodes just told me she likes her job. She is private secretary for the president of PATTERSON'S DIME STORE in Jacksonville.

Agnes Britt tells me that she is spending a few days with her parents before she returns to Paris. She and her husband live in a big mansion, complete with servants.

Here comes Pat Blackman driving up in a new Cadillac. Her husband owns an automobile agency, so I guess she will have a car now when she wants to go.

Billy Stevens has just come in. Since he is a doctor, he never knows when he can get away from the hospital.

Billy Ray Howell owns a clothing store in New York. He specializes in suits for fat men, since he has gained a few pounds.

John William Taylor is now in Hollywood, California. Since he has taken Elvis's place, it keeps him busy.

I see Gorden Joyner has become a patrolman. He works in the big city of Mount Olive. When he is not on his trips chasing Betty Lou and her boy companion for speeding, he is sleeping.

Ann Summerlin won the most blue ribbons at the fair this year. She is a wonderful homemaker. No wonder her husband is putting on weight.

Say, who is that smiling nurse coming out of room 209 in Duke Hospital? Annie Ruth Massey, of course. Who wouldn't get sick just to have her hold his hand.

April's issue of CHARM really disappeared from the newsstand, but no wonder. Our own Violet Bryan's face smiled prettily on the cover wearing a new Easter bonnet. She really is a lovely model.

My, that new filling station that Landis Neal is building is really terrific. Some people wonder how he does so well, but I would like to know if his conscience hurts him when he sells three quarts of gas for a gallon.

I saw Dorothy Price on television the other night. She looks happy since she has become a famous pianist.

Gordon Best is spending a few days with his mother before returning to Wake Forest, where he is a professor. He was always thought of as a professor in school.

Attention! All boys who are planning to join the Air Force please see General James Weaver for all information needed to join.

Gone to join her husband overseas is Joyce Herring. I hear she has a real good job as secretary for one of the Generals.

Sheila McGarr's latest poem, "The Life of Joe," has been accepted by her mother with honor.

Lena Ruth Britt who has completed her Home Economics course at E. C. is now happily practicing, instead of teaching.

Charles Martin, recently named "Playboy of the Year," is now sweeping floors for Carolina Theater in Goldsboro.

G. A. Spain and Merrell Sasser, now serving in U. S. Marines Corps, tell us that they have at least one girl in every state.

Marvin Weaver and William Goode now own the WEAVER AND GOODE VAN LINES.

J. A. Wilkins is serving his country as a jet pilot in the U.S. Air Force. We do hope his wife is happy since she is out of the state with her husband.

Betty Faye Jernigan has recently resigned from her former position to become private secretary of our newly elected president Don Keene.

We understand, Gordon Harrell has just completed his first tour around the moon. We do hope he enjoyed it.

I hear that Annette Stevens is doing all right as an Airline Hostess. We hear that one out of a hundred usually marries a millionaire.

Carl, past school  
These years have been  
few years with you, but I've enjoyed  
very short time, especially right now.  
With you, I've had many fine friends,  
and a good time in class.  
With a smile,  
and a wave.

## Autographs

Carl,

I have certainly enjoyed being in school with you this year. I think you can truly say that a few boys had them a good time this year! Right? Just don't do any worse!! Remember the room we painted, or maybe I should say the room I watched you paint? You certainly look good with blue eyebrows. He! Ha! I have really had some good times when I came home with Betty L. I guess you would appreciate it if I didn't take the whole page! Success + happiness + a very deserving boy.

a friend,  
Betty Rose Best  
5.

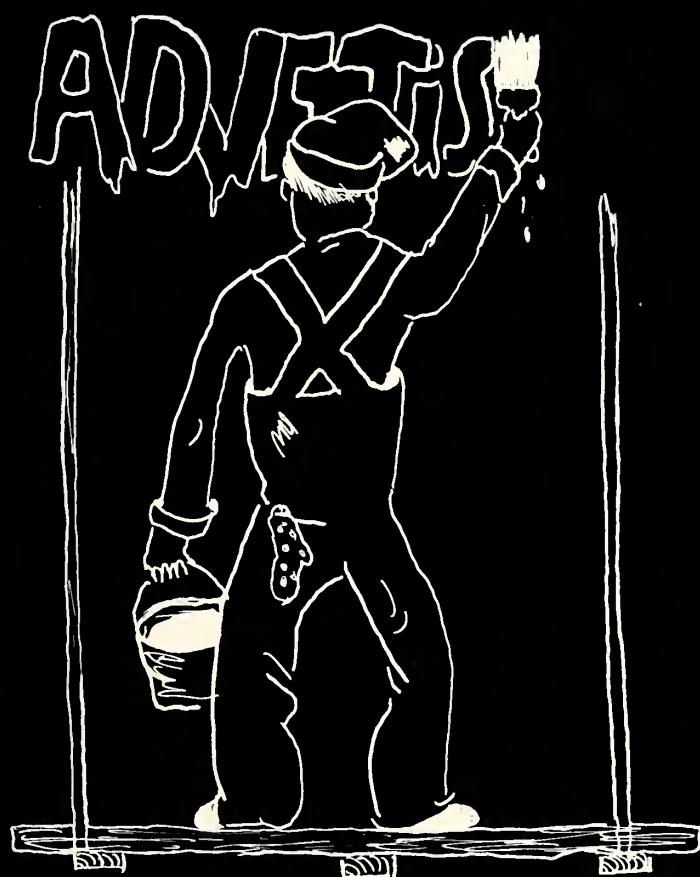

Mr. Sasser

We the Senior Class of 1958 would like to express our thanks and gratitude to all staff members who served with us so helpfully during the past years. You have worked so faithfully behind the scenes, and many times without recognition that we wish we could show in some way our great appreciation. Since words are not adequate we gratefully extend to you this note of thanks.

Carl

It has really been a pleasure coming to school with you these years, especially this year. I don't know what I would do if you four boys hadn't taken our place when we did something mean. I will never forget one time when we did something, and you, Glenn, Lucy, Bill and Jerry had to stay in the office one hour. It was about a letter to Mr. Robinson. Lucy did we have a time writing it.

Best of luck to a witty, friendly and deserving boy.

A friend

Earl,

Words can't express the pleasure I've had by being in high school with you these past two years. You sure have played your part in making school "almost fun," especially the last part of this year.

Besides the fun we've had during school, we've really had some good times outside of school too. I don't think any girl could have had a better time than I did when you took us to Raleigh. The night the car choked off is another time I won't forget. It wasn't a pleasant feeling for either one of us at the time.

I certainly enjoyed the summer. I helped you with tobacco. Maybe we have more like it to come...

Earl, space doesn't permit me to write all I'd like to, but I would like to say "good luck and a lot of happiness in the future to someone who deserves the best." I'll always remember you as one of the "best" friends I have ever had.

Love,  
Barbara
